FROM LOCSECS CONFERENCE CALL ----- Instituted by the new RVC
John Recht. He has a web site with useful info: JohnRecht.com. You might
not know: there is a national directory of Mensa members. I don't know
exactly where. If you find it on the newly remodeled national web site,
please let me know. This might facilitate getting outlying CRM members in
contact. There are also thoughts about getting our group web sites on the
national server.

FUNNY ANAGRAMS ----- Contributed by Glenn Leuning:
This has got to be one of the most clever E-mails I've received in awhile.
Someone out there either has too much spare time or is deadly at Scrabble.
Wait until you see the last one.....Glenn L. (By the way, Glenn topped the “Deep
Thought” contest, with “One computer, two computers, three computers, four!”....
apropo the numerous attempts to get the Chinook to CRM computers last month!) All
other smart alecks are invited to top any of these anagrams.)
